PART II - Terms and Conditions of Insurance Form 22044

GENERAL TERMS AND CONDITIONS OF INSURANCE FOR THE INSURED

Article 1 OTHER INSURANCE

You may be insured with several insurance companies for the same Risk.

In the event of a claim, you must inform all insurance companies with which you are insured for the same Risk, including Europ Assistance, of the existence of other insurance companies covering the same Risk. In this case, Article 1910 of the Italian Civil Code applies.

The purpose of Article 1910 of the Italian Civil Code is to avoid the case where the Insured, with several insurance policies for the same Risk with different companies, receives a total sum greater than the damage sustained. For this reason, in the event of a claim, the Insured must inform each company of all insurance policies taken out with the others for the same Risk.

Article 2 - GOVERNING LAW AND JURISDICTION

The Terms and Conditions of Insurance are governed by Italian law.

For all matters not contemplated in the Terms and Conditions of Insurance and for all rules of jurisdiction and/or the competence of the judge, Italian law shall apply.

Article 3 - TIME LIMITATION

Any claim you may have against Europ Assistance shall be limited to a period of two years from the date when the claim is made. In liability insurance, the two-year period starts from the day when the injured party claimed compensation from you or sued you for damages. In this case, Article 2952 of the Italian Civil Code applies.

For cover other than Assistance, in the event of a claim being made and pending legal proceedings, you are obliged to interrupt the time limitation periods in writing.

It should be noted that pending legal proceedings are not considered as a cause of stopping the time limitation period.

Ex if the Insured reports an Event after the maximum deadline of two years established by the Italian Civil Code, he/she will am not be entitled to Compensation.

Article 4 - CURRENCY OF PAYMENT

In Italy, you will receive compensation in Euros. If you seek compensation for expenses incurred in countries that are not part of the European Union or that belong to the European Union, but do not have the Euro as their currency, Europ Assistance will calculate the reimbursement by converting the amount of the expenses you incurred into Euros. Europ Assistance calculates compensation based on the value of the Euro in relation to the currency of the country in which you incurred the expenses on the day the invoice was issued.

Article 5 - PROFESSIONAL SECRECY

You must release the doctors who have to examine your claim and your state of health from their obligation to maintain professional secrecy with Europ Assistance.
