INSURANCE CONDITIONS FORM 2014

THE INSURANCE IN GENERAL

Art. 1. - OTHER INSURANCE POLICIES

You may be insured with several insurance companies for the same Risk.

If a Claim occurs, you must inform all the insurance companies with which you are insured for the same Risk, including Europ Assistance, of the existence of other insurance companies covering the same Risk. In this case, Art. 1910 of the Italian Civil Code applies.

Art. 1910 of the Italian Civil Code aims to prevent the Insured Party, with more than one insurance policy covering the same Risk taken out with different companies from receiving a total sum greater than the damage suffered. For this reason, in the event of a claim, the Insured Party must inform each company of all the insurance policies taken out with the others, for the same risk.

Art. 2. - GOVERNING LAW AND JURISDICTION

The Terms and Conditions of Insurance are governed by Italian law.

For all matters not contemplated in the Terms and Conditions of Insurance and for all rules of jurisdiction and/or the competence of the judge, Italian law shall apply.

Art. 3. - TIME LIMITATION

Any claim you may have against Europ Assistance shall be limited to a period of two years from the date when the claim is made. In liability insurance, the two-year period starts from the day when the injured party claimed compensation from you or sued you for damages. In this case, Article 2952 of the Italian Civil Code applies.

For cover other than Assistance, in the event of a claim being made and pending legal proceedings, you are obliged to interrupt the time limitation periods in writing.

It should be noted that pending legal proceedings are not considered as a cause of stopping the time limitation period.

E.g.: if the Insured Party reports a Claim beyond the maximum term of two years established by the Italian Civil Code, he will not be entitled to Compensation.

Art. 4. - CURRENCY OF PAYMENT

In Italy, you will receive compensation in Euros. If you seek compensation for expenses incurred in countries that are not part of the European Union or that belong to the European Union, but do not have the Euro as their currency, Europ Assistance will calculate the reimbursement by converting the amount of the expenses you incurred into Euros. Europ Assistance calculates compensation based on the value of the Euro in relation to the currency of the country in which you incurred the expenses on the day the invoice was issued.

Art. 5. - PROFESSIONAL SECRECY

You must release from professional secrecy with regards to Europ Assistance, all doctors needing to examine your state of health.

Art. 6. - PROCESSING OF PERSONAL DATA

Europ Assistance may become aware of and use other people's personal data when providing you with cover. You must make these individuals aware of the Privacy Notice and obtain their written consent to the processing of their health data for insurance purposes. You can use the following consent form: “I have read the privacy notice on data processing and consent to the processing of my personal data relating to health necessary for the management of the policy by Europ Assistance Italia and the parties indicated in the notice.”
